

1st Annual Fund Raising Brunch

To be held Sunday, August 28th, 2011 in Orange County

SPECTRUM

Infant and Toddler Montessorios

Building Child Care Centers to service the needs of infants & toddlers for working families

<http://www.spectrummontessorios.com/>

INTRODUCTION

Spectrum Infant and Toddler Montessorios, Irvine. A 501 (C) 3 non-profit organization was founded in July 2009 to provide safe and high quality child care that is developmentally focused for working families serving their children's needs from 6 weeks through preschool.

Spectrum Infant and Toddler Montessorios' 1st Annual Fund Raising Brunch will kick start a Capital Campaign to raise \$10 million in order to build 4 child care centers in Orange County catering to the needs of quality child care for age 6 weeks through preschool. The funds will be used to build 4 Early Learning Centers. When completed the new centers will each care for approx. 160 children. 50% of enrollment will be infants and toddlers, ages 6 weeks – 3. Only 5% of child care center capacity nationwide is for this age group.

The one-story structure, 18,000 square foot building will include 4 rooms for Infant care, 4 rooms for Toddlers and 2 Preschool Classrooms. The New Facilities will benefit the community by:

- Meeting the critical shortage of licensed child care spaces for infants and toddlers
- Meeting the growing need for child care close to work, specifically Irvine
- Giving our young, vulnerable children a wonderful place to learn
- Creating jobs and help meet a critical need for working families with infants & toddlers
- Creating an attractive and innovative model for early childhood center
- Aiding businesses who need to attract and retain employees
- Setting the stage for future development in the 'heart of Orange County's workforce'
